1. Use this graphic organizer to evaluate the reasons for the rise of Fascism in Germany and Italy.

2. Next, write two paragraphs explaining your findings in your research.

	Italy	Germany
Economy 1920s and 1930s	<ul style="list-style-type: none"><li>• Economic turmoil</li><li>• Unemployment strikes around the nation</li></ul>	<ul style="list-style-type: none"><li>• Reparations that they could not afford.</li><li>• Employment skyrocketed</li></ul>
Politics 1920s and 1930s	<ul style="list-style-type: none"><li>• Massive military buildup</li><li>• "New Rome"</li><li>• Death of Mafia</li><li>• Public works +</li></ul>	<ul style="list-style-type: none"><li>• Hitler became führer, after becoming chancellor and banning other political parties.</li></ul>

Italy and Germany's economies were ~~not~~<sup>not</sup> too different in the 1920s and 1930s. Both were going through severe economic turmoil. They both suffered through widespread unemployment and went through significant economic changes.

~~Along~~ Along with major economic changes came significant political changes for both Italy and Germany. The idea of a "New Rome" became popular

in Italy. The ~~then~~ Mafia was disbanded and a new focus on improving public works. Meanwhile in Germany, Hitler rose to power and completely eliminated ~~with~~ the other political parties, gaining complete control of the nation.
